The Business Edge BREAKFAST BRIEFING SERIES

INSTITUTE FOR LEADERSHIP STUDIES

Synch Your Strategic Goals with Your Actions Using a One-Page Business Plan

Plan and Execute with Complete Clarity

Creating and executing a one-page plan isn't taught in business school, but with training and practice this planning skill will pay dividends for the remainder of your working life. Discover the amazing things you can accomplish when your plan is clear and focused on key priorities.

Learn to:

- Get your arms around the strategic planning process
- Start simply, so you can stick with it
- Build a simple dashboard and key projects list
- Learn the secret of creating a plan your stakeholders and team will accept
- Learn how to monitor the plan to keep you and your team focused on the most important priorities

Robert Sher has been helping companies create and execute one-page plans for years. The planning methodology was developed and publicized by Jim Horan and has been implemented thousands of times worldwide.
